Lodgy Stepway continues to feature the same spacious, modular cabin but now adds head-turning looks.

Petrol (TCe 115) and diesel (dCi 110) powerplants are available for the extensively-equipped Lodgy Stepway (climate control, a radio-CD complete with MP3 playback, a jack socket, USB port, Bluetooth® hands-free telephony and steering wheel-mounted remote control) which comes with distinctive interior and exterior styling details.

Lodgy Stepway can be specified in one of five colours, namely Azurite Blue (exclusive for the Stepway version), Comète Grey, Pearlescent Black, Platine Grey and Glacier White.
