NEW DACIA LODGY: PRICES AND VERSIONS (IN FRANCE)

- **Logan, Sandero and Duster have been joined in the Dacia model line-up by Lodgy, the ideal solution for families looking for a versatile vehicle with an attractive price tag who have traditionally turned to second-hand cars.**
- **In France, Lodgy is available in a choice of four equipment levels, with prices starting from €9,900. Order books open on March 14, 2012.**

Dacia Lodgy is a family MPV with up to seven seats which combines a high standard of comfort with a roomy cabin and a spacious boot. It is the first of a new generation of Dacia models and packs all the brand's trademark strengths: exterior styling which mirrors its robust build and large cabin, front-end looks in keeping with the brand's new visual identity (attractive grille and bumpers, higher waistline), wide protective mouldings and smart rear light cluster design.

The impression of quality exuded by Dacia Lodgy's occupant-friendly cabin is optimised by a long list of features:

- a new dashboard design incorporating a new centre fascia-mounted radio and multimedia MEDIA NAV system with seven-inch (18cm) wide-screen display,
- new status-enhancing upholsteries,
- chrome trim details: air vent surrounds (depending on version), centre console surround, door handles, gear lever knob insert, logo surround, plus gloss black details for centre fascia and steering wheel (depending on version),
- driver-friendly controls: door-mounted front/rear electric window controls, door mirror adjustment control on the left-hand side of the dashboard and heater/climate controls towards the top of the centre console,

- a practical, safe and driver-friendly high-up driving position.

Three engines are available for Dacia Lodgy: the 1.6 MPI 85, the 1.5 dCi 90 and the 1.5 dCi 110. The model will also be available with the new 1.2 TCe 115 engine at a later date.

Dimensions

Length: 4,498mm

Overall width (without door mirrors): 1,751mm
